Two Jelly Rolls™ (13630JR)

Border: 2½ yards (13638 17)

Binding: ¾ yard (13529 99)

Backing: 5 yards (pieced vertically)

moda

La Belle Fleur is a beautiful collection of late 18th and early 19th century French floral prints was inspired by an old quilt I found at a Cahors vide grenier last summer. The quilt was filled with antique prints and had a special surprise! Another quilt, in perfect condition, was used as the batting! Almost every one of the prints in La Belle Fleur has been salvaged off of the two quilts. We have designed some simple quilts to go along with this new collection in order to showcase these charming fabrics.

Cutting

Binding:

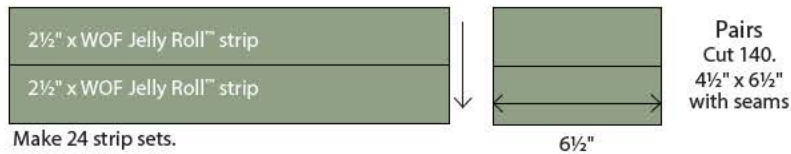

8-2 1/2" x width of fabric strips

Quilt Construction

1 Make the quilt center using the 2 Jelly Rolls™
(a total of 80-2 1/2" x width of fabric strips):

(A) **Pairs:** Select 48-2 1/2" x WOF Jelly Roll™ strips. Sew the strips together in pairs, to make 24 strip sets as shown. Cut a total of 140-4 1/2" x 6 1/2" units from the strip sets.

(B) **3 Patches:** Select 3-2 1/2" x WOF Jelly Roll™ strips from the remaining 32 strips. Sew the 3 strips together. Cut the strip set into 16-3 patch units.

(C) **Singles:** Select 19-2 1/2" x WOF Jelly Roll™ strips from the remaining 29 strips. From each of the strips, cut 6-2 1/2" x 6 1/2" rectangles for a total of 114.

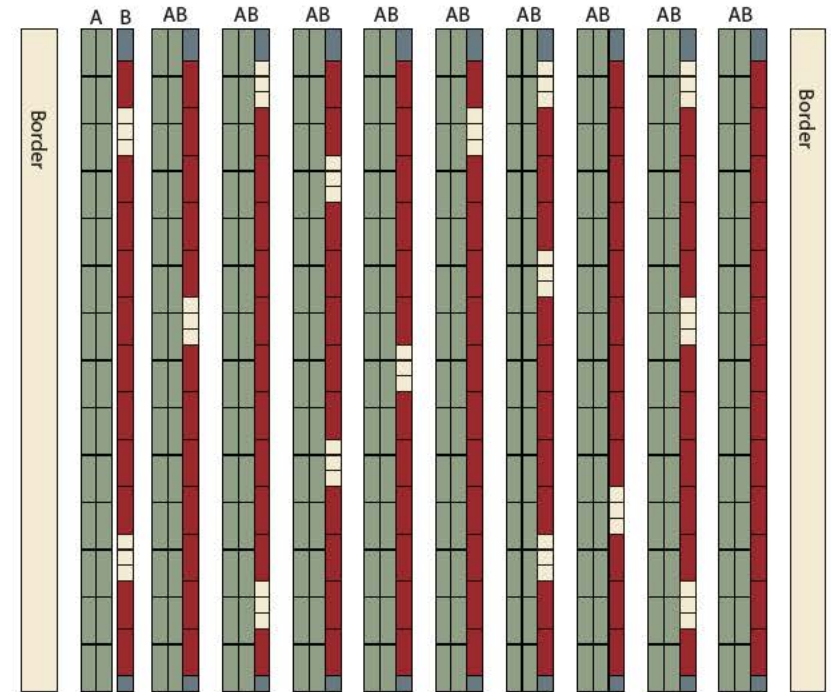

(D) **Squares & Rectangles:** From the remaining 10-2 1/2" x width of fabric Jelly Roll™ strips, cut an assortment 10-2 1/2" x 2 1/2" squares and 10-2 1/2" x 4 1/2" rectangles.

You now have:

140-Pairs 4 1/2" x 6 1/2" with seams	114-Singles 2 1/2" x 6 1/2" with seams	16-3 Patches 2 1/2" x 6 1/2" with seams	10-Rectangles 2 1/2" x 4 1/2" with seams	10-Squares 2 1/2" x 2 1/2" with seams

2 (A) **Column A:** Combine 14-Pairs. Make 10 columns-4 1/2" x 84 1/2" with seams.
Column B: Combine 1 Rectangle, 1 square, and a total of 13 Singles and 3 Patches. Make 10 columns-2 1/2" x 84 1/2" with seams.
AB Set: Combine 1-Column A and 1-Column B as shown to make a set. Make 10-6 1/2" x 84 1/2" with seams.

(B) Sew the 10-AB Sets together as shown.

3 The two Borders are cut the length of the fabric, parallel to the selvage, 84 1/2" long. Choose the border stripe that you would like to feature, and cut the borders at least 1/2" wider than the printed section. We cut ours about 5 1/4" wide. You should also have plenty of fabric if you want to add a Border to the top and bottom of the quilt, depending on the stripe you choose.

4 Sew the 8-2 1/2" Binding strips together end to end using a diagonal seam. Layer, quilt and bind. ENJOY!
