

# Finnegan

Like a breath of fresh air, Finnegan is filled with fresh, soft hues that wrap you in cozy comfort. Inspired by vintage fabrics and wallpapers, the prints are classic and fresh, with colors and prints that reflect the crisp air of spring.

Finnegan embraces an airy linen-white and the soft hues of sky, sprout, lilac, yellow, and pink. They're grounded by a warm pebble grey, so they're ready to inspire you to create cozy treasures for your home and those you love.
