

Bramble Cottage

brenda riddle designs
Acorn Quilt & Gift Company

To live in a cottage or farmhouse surrounded by flower gardens and cozy soft colors is a dream of mine. No matter where you might live, being able to bring some softness into our daily lives is a way of taking a deep breath, of welcoming tranquility and comfort.

With fresh colorways of linen white, willow, mist, pebble, and blossom, Bramble Cottage envelops these airy, fresh, cozy feels for your home, and to share with those you love.

Inspired by spring and early summer when the buds have blossomed and everything feels fresh and new.
