

FARM CHARM

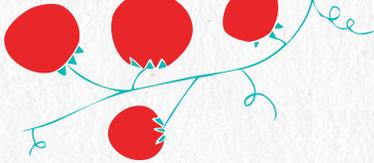

BY GINGERIBER

Celebrate that Farm Charm life with Gingiber. If you loved Farm Fresh, then this red, black, aqua and white follow-up will make you squeal with delight... just like one of the little piglets in this collection! There are also chickens, precious ponies and Gingiber's signature sheep.

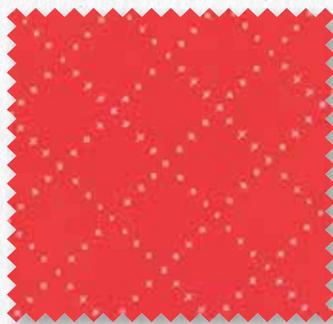

Inspired by campfire mugs, feed-sack florals and the charm of life on the farm, this collection features four of Stacie's favorite quilt patterns to date. If you long for a simpler time when chickens roamed dirt roads and piglets eagerly played in a puddle of mud, we're sure you'll find Farm Charm as charming as we do.
