

# LE BEAU PAPILLON

## French General

Le Beau Papillon is a pretty floral collection inspired by butterflies. Spending our summers in France is one of our favorite ways of slowing down. It's where we spend as much time outside as possible, enjoying gardens, fields of lavender and long walks down country roads. Inspired by those lazy afternoons in the garden with tall glasses of lemonade and lots of colorful butterflies, this collection is filled with prints that can be mixed and matched to make up a beautiful quilt or two, and don't forget some pretty pillows for the garden bench.
