

# CATHE HOLDEN'S *Flea Market Fresh*

APRIL DELIVERY

Treasured vintage goods set about the tables of an outdoor flea market showcase charming tokens of the past – shoe boxes filled with vibrant floral postcards, stacks of embossed ironstone plates, and a cigar box trimmed with “hand made” paper edging and filled with colorful advertising ephemera and mementos. There are black and white family photos, colorful postage stamp collections, and volumes of antique ledgers plump with handwritten entries. These treasured finds, ripe for the picking and chock full of creative inspiration are beautifully detailed in Cathe Holden’s latest collection, *Flea Market Fresh*.
